Attention Members:

You may now post all your CLE credits online! No longer do you have to pencil in bubbles on course, attendances cards and wait 6 to 8 weeks for your credits to post. Now you may post your credits online and watch your record update in real time.

Many of you have already been checking your CLE status online. With our new CLE credit-posting feature, you may now conduct nearly all of your CLE transactions online. Once you have opened your online account, we guarantee the new online CLE reporting system will be both more efficient and less time consuming than filling out and mailing the course attendance cards. All you need to do is follow these simple instructions:

1. Go to [www.floridabar.org](http://www.floridabar.org)
2. Click on Member Profile on the right side of the web page.
3. Click on CLE Activity Posting.

After you have completed posting all of your credits, do not forget to print the confirmation page for your records.

You will need to request a password prior to using any of the online functions.

Please allow 5 -7 days to receive your confidential password.

If you have any questions or need assistance with the online credit reporting, please contact the Legal Specialization and Education department at (850) 561-5842. Thank you.
