Re: Completion of International Law Requirements Certification Form

As a student in the Concentration Program in International Law, you are required to successfully complete a number of conditions to graduate with your Certificate of Concentration. Since your graduation date approaches, please review the Program requirements as follows, and if you have completed all the requirements, please sign and date where indicated.

Concentration Program in International Law Requirements

- Completed at least 21 hours with an average G.P.A. of at least 3.0 in the Approved Curriculum, including successful completion of each course in the Mandatory Curriculum;
 - Received no grade less than 2.0 in courses taken in the Approved Curriculum;
- Obtained at least a 2.0 in professional responsibility;
- Participated in the Required Mentoring;
- Demonstrated, to the satisfaction of my Mentor, my commitment to the ethical and professional practice of law;
- Fulfilled the International Law Pro Bono requirements;
- Fulfilled my writing requirement in the area of International Law by writing a paper in the area of International Law to the satisfaction of my Mentor.

I hereby certify that I have satisfied the above requirements for the completion of a Certificate of Concentration in International Law.
