

## **Identification Badges**

All members of the Stetson community, including faculty, staff, and students, should wear an official Stetson I.D. badge if they are on campus after 10:00 p.m.

Public Safety officers are authorized to ask individuals to show their I.D. badges at any time, to question persons not wearing I.D. after 10:00 p.m., and to remove from campus individuals who are not legitimately on campus.

Students may obtain a badge from Student Services; faculty and staff may obtain a badge from Public Safety.
